## THE MILLING INDUSTRY YOUNG ACHIEVER AWARD 2018

### A two-week personalised overseas study tour

**Approximately \$15,000 Worth of Industry Training,  
PLUS a BUHLER Training Course in Switzerland**

The aim of the Award is to provide a young person, who has demonstrated their ability, the means to further their contribution to the milling industry. Included would be an opportunity to gain international exposure and access to technical knowledge of specific or general interest. The award is open to people under the age of 35 who are, or have been engaged in a technical capacity in a cereal milling, feed milling or an associated industry within Australia.

**THE AWARD:** A two week personalised overseas study tour into a relevant aspect of the milling industry including a milling training course at Buhler Switzerland. Plus attendance to the 2018 Australasian Milling Conference from 3-5 June 2018.

**OPEN TO:** All technical millers under 35 years of age as at 30/06/18 actively employed in a manufacturing milling industry in Australia, including flour, rice, oats, maize and stockfeed.

**ENTRIES:** Close by Friday 16th March 2018

**PRESENTATION:** The presentation to the 2018 winner will be at the Biennial Conference, PIX/AMC2018 being held at the Gold Coast Convention and Exhibition Centre from the 3-5<sup>th</sup> June 2018.

The Award that is open to both members and non-members of ATMA provides an outstanding opportunity for a young person to gain international exposure and access to technical knowledge providing a wonderful career boost. Suitable proposals may, for example, include enrolment in a Milling Short Course in Europe or a personalised study tour requiring an around the world air ticket. This award will cover airfare, accommodation allowances, any approved tuition fees (if appropriate), plus \$1000 out of pocket expenses.

If you are a motivated person working in a technical capacity in cereal milling, feed milling or an associated industry we encourage you to apply. Alternatively, if you employ somebody with these attributes, please encourage them to submit an application. Your company will benefit enormously from this outstanding opportunity. Applications will open on the 10<sup>th</sup> January 2018.

For further details go to ATMA's website [www.atma.asn.au](http://www.atma.asn.au). Select News > Awards > ATMA Young Achiever Award. We also welcome your membership application via [www.atma.asn.au](http://www.atma.asn.au), select Resources > Membership. Membership costs just \$55 / year (plus \$22 admin fee for the first year only).

### THE MILLING INDUSTRY YOUNG ACHIEVER AWARD 2018

<b>AGE LIMIT:</b>	The award is open to people under the age of 35 (as of 30/6/2018)
<b>EMPLOYMENT:</b>	Application is open to anyone currently engaged, or previously engaged in a technical capacity in a cereal milling industry within Australia, including flour, rice, oats, maize or stockfeed. <u>“Technical Millers” are considered as those people who have technical milling experience, who have previously been in charge of operating, or are currently operating, milling plant and equipment.</u> For further clarification on whether your role is considered eligible, please contact the Executive Officer at <a href="mailto:atma@atma.asn.au">atma@atma.asn.au</a> or via 0478 820 230
<b>APPLICATIONS:</b>	<p>All entries must be submitted on the official form attached. Entries must be received by 16<sup>th</sup> March 2018. The winning entrant will be announced at the Australasian Milling Conference Welcome Dinner being held at the Gold Coast Convention and Exhibition Centre on 3rd June 2018. Employed applicants must receive approval of their applications by suitably authorised senior management within their employing business. Self-employed applicants may self nominate.</p> <p>In addition to completing the attached application form, entrants are requested to add an outline of the proposed Study Tour indicating specific topics of interest, their goals and objectives of the tour and any other relevant information to support their application.</p>
<b>THE AWARD:</b>	<p>This award will cover airfare, accommodation allowances, any approved tuition fees (if appropriate), plus \$1000 out of pocket expenses. It does not include any allowances for wages or salary whilst the applicant is away from their normal course of duties on the Study Tour.</p> <p>The self-designed study tour will be structured to cater for the specific interest and needs of the successful applicant and must be approved by ATMA Inc.</p> <p>Suitable proposals may, for example, include enrolment in a Milling Short Course or a personalised study tour requiring an around the world air ticket. The organising committee may assist in arranging contacts and venues.</p> <p>The successful applicant will be required to submit a report of the Study Tour to ATMA Inc. within three months of returning to Australia.</p>
<b>JUDGES:</b>	<p>The award winner will also be called upon to give a presentation relating to the Study Tour at an ATMA seminar.</p> <p>The judges will be selected by the ATMA Inc Committee (or nominees). The judge's decision will be final and no correspondence will be entered into.</p> <p>Entry forms are available from the website <a href="http://www.atma.asn.au">www.atma.asn.au</a></p>
