ATMA's

JACK WALSH

INTERMEDIATE MILLING
AWARD

Reach Your Peak

ATMA are pleased to offer a new award for those students who have studied nabim modules 1-4.

The Winner of the JACK WALSH INTERMEDIATE MILLING AWARD by ATMA
will receive

Attendance to the Australasian Milling Conference held on the Gold Coast in Queensland including return economy flights, 2 night accommodation, attendance to the conference, welcome dinner and conference dinner. Total value is approximately \$2000.

The award aims to increase the technical skill level of flour milling students from Australia, New Zealand and the Pacific Islands.

Students who are enrolled in nabim modules via ATMA Inc., AND, who complete the module lessons and submit them to the assigned tutor for marking are eligible for this award.

Students must also pass each module on the first attempt.

The aim is to encourage students to put in 100% effort into their nabim studies thereby maximizing their potential. The judging criteria has been largely weighted towards rewarding effort in the completion of the 4 lessons for each module.

The following criteria will be considered by the tutors who will mark a student's efforts accordingly:

- All 4 assignments submitted (5 points)
- Assignments submitted on time (5 points)
- Quality of assignments (7 points)
- Feedback from Tutor (7 points)
- Exam Mark (5 points)

For further details see the Judging Criteria & Rules document located on the website www.atma.asn.au.

This award is kindly sponsored by the Walsh family.
